“Christ and Christmas” – Mary Baker Eddy, Artist of Light

PowerPoint presentation for students of Christian Science

If I am traveling by car, I can share full scale reproductions of the pictures from the seventh edition published in 1906 and a few from earlier editions.

Length: 2 1/2 to 3 hours

Equipment: Please provide your own screen for the PowerPoint projection.

Space Requirements: adequate seating and a place for the projector and screen. If prints are offered, I will need 35' of wall width.

About the Speaker: George Denninger has been a practicing Christian Scientist and artist for many years. He has been pursuing the deeper meaning of Mary Baker Eddy’s book, *Christ and Christmas* since 2002 and has written several articles on the subject. He has also written two books: *Revelation: The Prophecy and Fulfillment of Man*, published in 2012, and *Insights from the Study and Practice of Christian Science*, published in 2019.

Cost: Transportation and housing if needed. Gratitude is appreciated.

Discover what Mary Baker Eddy tells us about herself and about our identity. She wrote in a letter to Edward A. Kimball, “For the world to understand me in my true light, and life, would do more for our Cause than aught else could.”
